Mr. Loscaro's Sociology class is taking a break from an intense studying session.

Jason Holland is doing the ED GRIMMELY.

The Crazy Things Seniors Do

The Seniors had done many funny things this year, the traditional freshman initiation was one. It is passed on from Senior class to Senior class. It's just not normal for a senior to let a freshman go by without terrorizing them. As Jason Holland put it "it's almost like an obligation we have to do from year to year." Jason is known for terrorizing the freshmen; from making them push a penny up the ramp with their nose to walking like a duck!

The Ed Grimily was also started by Jason Holland. He said that he was at the Senior float one night and the music that was playing reminded him of what he once saw on t.v. so he did it and the "Grimily" caught on!

The Senior Class is also known for ditching first hour and going out to breakfast at McDonalds. Everything went as planned until they all came back to school at the same time which made it quite obvious. I might add, they all received a Saturday Class for their little rendez-vous!!!!!!

Michelle Burkat and Kyle Tarr are collecting yearbook information and Patro Randitsas is following along.

Tony Cerros and Jason Baimakovich are looking over Mr. Cosgroves shoulder awaiting test scores to see if they qualify for breakfast club.

Dennis Orr and Renee Woodworth are caught out in the hallway!

Exchange Student Making the Change

During the 1990-91 school year, Edison Jr. Sr. High School was privileged enough to have an exchange student come to our beautiful school. Gitte Pederson is 16 years old and served her senior year at Edison. In this country she stayed with Don and Nancy Korreckt and their children Diana, Cindy, Amy, and Bonnie. Gitte has many hobbies, including gymnastics and soccer. She also enjoyed just hanging out with friends while she was here. She met many people here at school and made many friends. Gitte's favorite class here was U.S. History.

Gitte Pederson, sitting outside during break.

In Denmark, after nine years of schooling, students have the opportunity to go on to college. Gitte plans to study veterinary medicine at a university. During her year here, Gitte went to Lake Station Pet Clinic to observe the practices.

Gitte will be missed by many friends she made here. All who knew her wish her the best back at home.

Final picture of the Taylor Family.

Father and son side by side.

Steven Warren Taylor Jr. was a fellow student whose life was so tragically cut short. Steve was a junior during the 1989-1990 school year. He was looking forward to his senior year. Then, on August 3, 1990, Steve was shot and killed while a burglary was occurring at his house. This terrible incident occurred just as Steve was to celebrate his eighteenth birthday, the next day. Many people got to know Steve at Edison and he is missed by all of his friends. The Yearbook Staff would like to send Steve's family our prayers and comfort for a very fine young man and thank them for the pictures we used.

Dedication Making History

For fifty years, Edison High School students have been able to enjoy the memories of their high school years captured in the Edisonian Yearbook. This golden anniversary could not have been possible without the staff in 1941. Years before the first school yearbook was published, the only yearbook published was for the senior class of Edison. Then in 1941, there was the possibility of publishing a school yearbook instead of one for the seniors class. Then, the publication of the first yearbook began. First, a staff was needed and volunteers were ready to work. The staff hoped that the yearbook would show the spirit of Edison High School through its organizations and its activities. This dream has been accomplished and is ready to continue for another fifty years. This yearbook is dedicated to the first yearbook staff and all the other staffs that have shown the spirit of Edison High School for fifty years.

ATHLETICS

The 1941 Cheerleaders and Yell Guy pose for a spirit-filled photo.

The pictures shown on these pages are taken from the very first Edison yearbook published in 1941. In previous years, seniors published a yearbook for the benefit of their class only. These yearbooks featured only seniors and their activities. Then, in 1941 all classes were featured. Then, as now, the yearbook has been a symbol of pride and school spirit that is sure to last.

Edison History

Pictured above left : the old Central School building where classes were held until 1956. Above right : the current Edison junior/senior high building.

All great institutions have their small beginnings and Edison is no exception. Edison is thought of as a small school, but it has come a long way since its start.

The first classes of Edison were held in the old Central School building on Pike Street. The classes only went up to eighth grade. High school students were sent to Emerson High School in Gary. It wasn't until 1928 that the first high school classes were held. These classes only went up to grade eleven.

The first senior class didn't graduate until 1934. Classes were held in the old Central School building until 1956, when the high school moved to the junior high part of this building. Renovations were done, and in 1978, the junior high moved here also. The high school then moved to the part of the building it is in now.

It has taken many years of hard work to bring the school to where it is now.

This years season was one of the best seasons since the year of nineteen seventy-two. Coach Standford, head coach, gave the team members a boost of confidence. All the students and parents, enjoyed watching their sons perform in this year's football season. A lot of students were very excited to see our team go so far this season.

This year's seniors wish all the 1991-92 team members good luck.

Co-Captains: John Hurt and Derrick Messer are showing their meaness before the game starts out!

John Hurt leaps for joy; Albert Throw beams with delight; and Alex Costa gives a happy high-hand.

J.V. Ends With A Classic

Donnie Jones is going for a kick off while Jason King is ready to attack.

Coach Locascio says: The Junior Varsity football team worked hard the whole season. The season record was 3 wins, and 3 losses. The last game was cancelled due to the field conditions. The Junior Varsity team played well at times. All the game went either way. There is a lot of young talent, hope they can help the Varsity team next year. In the Wirt game the Junior Varsity team lost by a second. Coach Taylor was a lot of help. If it wasn't for his help, Coach Locascio would of had a hard time. Coach Locascio went from Junior High football to Junior Varsity football. Junior Varsity team, good luck next year.

Coach LoCascio and Joey Eakins stand on the sideline watching the team.

VARSITY VOLLEYBALL

Top Left to Right- Assistant Coach Jane Statum, Misty Soria, Tabitha Beaumont, Tami Hisick, Jeanine Podenski, Tonya Hite, Rachel Schammert, Coach Llewellyn. Bottom Left to Right- Penny Anderson, Amanda Dillard, Lori Matlock, Selena Pustik, Amanda Hodge, Annette Lopez.

This year was the fifth consecutive winning season that the fighting Lady Eagles have had. Working hard in the summer paid off with their 18 wins and 11 losses. Four wins and one loss in conference play enabled them to place second.

At the Washington Township Tournament our team placed second for the fourth time. The team had one disappointing loss in sectionals to Merrillville. Although Coach Llewellyn is losing four of her top players, Lori Matlock, Rachel Schammert, Tami Hisick and Selena Pustik, she hopes to make next year the sixth consecutive winning season.

The Volleyball team has done a great job and has put hard work into every single game. Good job and keep up the hard work and winning ways!

Misty goes to slam the ball.

The Baby Eagles Attack

The J.V. Volleyball team started off with a bad season, but ended up winning four of their last six games. The team worked hard and stuck together through wins and loses. Their positive attitude and cooperation got them a record of 9 wins and 12 losses.

Coach Shively had seventeen players on her team. Thirteen of those seventeen were freshmen. She is real pleased with the improvement and efforts they made. She is also excited for the upcoming season to begin. Coach Shively is looking forward to working with next years freshmen and hopes for a successful year!

Karen Handley put a lot of effort in her service.

Coach Hayes has spent his tenth year teaching boy's tennis this year. This years school record was six wins, and eight losses. In conference game this year they placed third, this year was the first year they played in a conference game. Steve Winandy was number one singles his record was nine and six. Erik Lopez was second in singles, he was also conference champ. Chris Napier was number one doubles. Jeff Oldaker was number two doubles. There were two seniors on this years team, which means we have several experienced underclassmen making a raquet next season.

The cheerleaders participated in many fundraisers and activities this year. These activities included a Car Wash, Tagday, and the One Day Cheerleading Clinic. They got a lot of support in their fundraising. They sold sausage and cheese, jewelry, and suntan products to raise money to buy new Varsity outfits. Mrs. Fields, sponsor, said, "In my opinion, we raised more spirit than in past years. There's always room for improvement, but we've come a long way and we have the future to continue to improve."

Coach Green gives her speech at the Athletic Banquet while her first Varsity team stands beside her.

Though their season was not as successful as hoped for, the Varsity Girl's Basketball Team received something important. Along with their improvements this season, they learned the importance of teamwork.

This was Coach Green's eighteenth season as Varsity coach. Miss Green informed the school she was retiring from her coaching position at the end of 1990-91 season. Edison is losing a dedicated and highly qualified coach. Her service to the girl's athletic program has been excellent. Miss Green encouraged her players to work hard and have positive attitudes. Not seeing Coach Green on the bench at girl's basketball games will seem strange. She will be missed very much.

CLASSIC TEAM EFFORTS!

J. V. Girls Basketball

This year the junior varsity girls ' basketball team tried their hardest to improve their record, but ended their season with a 3-18 record.

The team experienced the agony of defeat, but came to realize winning isn't everything. Along with the disappointments, improvements and team work the girls have high hopes of a winning season next year.

The Boys Varsity Basketball Team finished with a 5 and 16 overall record and a 2 and 3 conference record, which was good for a 3rd place tie. The Eagles were predominately an underclassmen team with only 2 seniors on its roster.

Junior Bob Grusak led in scoring (17 points per game) rebounding (8 per game) and blocked shots. Bob was also named to the All-Conference and All-Calumet Sectional Team. Junior Alex Costa led the team in assists (4 per game) and steals (2 per game) and made honorable mention for the conference team. Junior Keith Fraley led in free throw percentage with 64%.

Despite a 5 and 16 record the Eagles were only outs covered by and average of 5 points per game by their opponents. Thus, the school can look forward to a promising year in 91-92.

Once again, varsity wrestling has continued their winning ways. Last year was very good with Stacy Sullivan and Dan Guzman becoming Edison's first state qualifiers. This year under new coach Dan Mora, Sr., the wrestling team continued its success with 20 wins, 2 loses, and 1 tie. At sectionals, the team had an impressive outing by placing 2nd. Though some team members will be graduating, look for the team to continue with more success in the future.

This year's J.V. Wrestling Team had a lot of disappointments. The team had very few matches because of players not making weight or not making grades and also many of the schools on our schedule didn't have a full J.V. team.

After all these adversities the J.V. team members did work hard at practices to improve on their fundamental skills. Hopefully, next year they will be on the Varsity team and not suffer any of the problems their team faced in the 1990-91 season.

The girl's tennis team had an outstanding record of 10-5 this year. Coach Hayes felt they did extremely well this year. He said, "it's a very strong team for such a small school." The team did so well, that on April 27 at the Northwest Hoosier Conference, held here, they came out as champs out of four schools.

Coach Hayes said the team's performance was, "better than I expected with all our experience." The J.V. team did very well, also. Their record was 7-14. Hayes also said, "I think we have a lot to look forward to next year. We have some strong players and great team performance."

Girl's Track

This year's track team had only 9 members, but according to the new team's coach, Mr. Heavy, the team has done very well considering the odds.

Three records have been broken this year. Connie Lewis broke two of these. They were the 100 meter and 200 meter dashes. The other broken record was done by the 4 person team of Lori Matlock, Connie Lewis, Shannon Clark and Penny Anderson. They broke the 400 meter relay record.

Heavy wanted to emphasize that the entire team did superbly, and "these nine girls have quality and that is what counts."

Making Winners the Deca Way

Many students here at Edison are taking a two-year program called DECA (Distributive Education Clubs of America). It's a vocational program that combines the classroom with on-the-job training.

To be eligible for DECA, students must be a junior or a senior.

Mr. Kincaid, the DECA advisor, believes there are many good points to the organization. The students get to see other schools outside of Lake Station and realize that they have similar goals.

The students also learn to compete against other students and get a successful background in the business world.

The DECA Club participates in many activities. There is a Fall Leadership Conference at Lemon Lake and an invitational the week after that at McCutchen.

The club also sells the entertainment coupon books and participates in the annual Muscular Dystrophy Bowl-a-Thons. They also compete in district in January, state in March, and nationals in April.

Perhaps the most important aspect of DECA is that it helps ready students for the future.

Mr. Kincaid and Aaron Tibbs try to set a good example for Kevin McDaniel.

This year's issues of the Eagle Feathers were really something to be proud of. In addition to the new staff members, and great new stories, the paper itself had a more polished, updated look.

Thanks to the new Macintosh computer with laser printer, students could avoid tiresome layouts. Information was simply typed into the computer (margins, graphics, stories, and all) and whole pages could be printed out at one time. This cut the work time in half.

All-in-all the paper got a lot of praise from students, faculty, administration, and the local advertisers. After a year's worth of hard work from the staff, advisor (Mrs. Witbeck) and of course the Macintosh, the paper is a symbol of pride and school spirit that will be sure to last.

50th Edisonian Staff Making A Classic

The yearbook class worked very hard to make this year's book very special. Since this was the 50th anniversary of the Edisonian, the theme "Making of a Classic" seemed very appropriate. The students, along with the advisor, Mrs. Georgion, worked very hard selling books and ads. A fund-raiser was held in October and the

staff made and sold grab bags of candy. Patron ads were sold towards the end of the year to earn "just a little more money". Even though the school year ended, some of the staff worked on through the summer. This yearbook could never have turned out the way it did without the help and dedication of many people.

Tami Hisick and Missy Tankersley discuss their opinions for the yearbook.

Alex Yanez and Erik Donovan relax after a hard day's work on layouts.

The Sunshine Society has had a very busy year. They have sponsored many activities such as the Sweetheart Dance in February. They have also helped out with many community projects, they ran a coat check for the Christmas Dinner at the Lions Club and helped with Dollars for Scholars breakfast. They attended a state convention in April. Miss Brock quoted that this group was an enjoyable group of young ladies to work with and we have a good time this year.

In every class there are those people who give 110% of themselves, not only academically, but also in extra-curricular activities. These special people are recognized by the National Honor Society.

Membership in the National Honor Society is one of the highest honors that can be awarded to a high school student. The NHS has worked to bring the accomplishments of outstanding students to the attention of parents, teachers, peers, and community. Chapters in more than 22,000 high schools across the nation strive to give practical meaning to the society's goals of scholarship, service, leadership, and character.

The standards used for selection includes maintaining at least a 3.0 grade average as well as receiving high marks in leadership, service, and character.

The Gary Career Center is becoming more popular each year at Edison.

This years students chose a variety of classes. Five of our students are in Computer Programming I, four are in Auto Mechanics, three came back a second year to the Career Center for the Advanced Broadcasting/TV course, also Graphics I, Advanced Auto Mechanics, Advanced Food Management, and Pression Metals have two of our students in each class, lastly, Advanced Graphics, Broadcasting/TV, Computer Application, Machine Tool Operation, Food Production Service, Cosmetology II, and Advanced Welding have one student enrolled. As you can see there are a variety of classes to choose from.

Two of our students, Mike Moreau and Gareth Robertson, are in a program called Building Trades. Mr. Campbell informed them about the program. They filled out an application and four were selected, but only two went. If your wondering what they do, they work on everything that involves a house.

PEER HELPER

This years Peer Helper's have been very busy, but they always took some time out for fun.

On September 13, 1990, they went to the Lake Station Administrative Building for a Peer Workshop sponsored by Charter Hospital. They learned to cope with typical adolescent problems, and how to help and treat them.

The weekend of November 17th and 18th, 1990, they went to Laporte for the Reach America Workshop [Responsible Educated Adolescents Can Help America- a drug-free seminar]. They learned about drugs and how they can affect adolescents, also how teens can get assistance and treatment for drug problems. The Peer Helpers took this training to the elementary schools April 17, 1991. They performed a skit based on the Hansel and Gretel fairy tale, except for the house was made of drugs and the witch was a drug dealer. They had a great time working with the elementary children.

In addition, the Peers also tutor and listen to personal problems of secondary students.

The Peer Helpers and Mrs. Edgcomb deserve some recognition for their efforts throughout the year.

The Peer Helpers would also like to thank Mr. Georgion for his support.

Bottom Row: Ann Balboa, Sandy Alicea, Chris Jackson, Stephanie Villanueva, Penny Bolton, Pepper Potchen, Silvia Ochoa, Cindy Lopez, Irene Ortiz.

Student Council has been working very hard this year on many different activities. For starters, they went to Indiana Dunes State Park for a picnic. Besides swimming and eating hotdogs and hamburgers, they talked about Homecoming activities and revised the Constitution.

Homecoming is an activity the Student Council does every year. It consisted of the dance, parade, Almost Anything Goes, and Spirit Week. The theme was "Music". The dance was held September 29, 1990 and the Spirit week events included; cartoon day, famous pairs, pajama, twin, and red and black day. The classes competed against each other to find out who had the most spirit. Coming out on top were the Seniors.

The Halloween Dance was held on October 24, 1990 in the cafeteria area, which is

also sponsored by the Student Council. Students dressed up in costumes and danced the night away.

As always the Christmas Food Drive was a success. The food that is brought in by the students and faculty were distributed Friday, December 21, 1990 to 45 needy families in Lake Station. These families got plenty of canned and boxed food, a turkey, a gallon of milk, eggs, loaves of bread, and butter. They gave as much food as possible so the families could have a Merry Christmas.

On March 9, 1991, many students attended the Student Council Lock-In. There were games, food, and movies. This also gave the students a chance to be in an atmosphere with teachers outside of the classroom.

Many of the Student Council members attended the District Workshop at Valparaiso High School on October 13, 1990. The members listened to speakers and attended workshops to improve their leadership skills.

The Student Council members listen very attentively, as the meeting is in session.

Then on the weekend of November 10th and 11th 1990, Student Council attended the State Convention at Brownsbury High School. The members went to workshops, listened to speakers and did fun activities at the end of the day.

On April 20, 1991 twenty members attended the ISAC Representative Assembly at T.C. Howe High School in Indianapolis. They were awarded Honor Council for the third year in a row.

The Student Council and sponsors deserve some recognition for their great efforts throughout the years.

KING AND QUEEN

The Making of Royalty

On September 21, 1990 Edison Senior High held their annual Homecoming game. The night for fans to flock the stands and watch the big game, but its halftime people all sit

and wait for. This is the big moment when one of six senior girls is announced Homecoming Queen.

This year that big moment

came for Lydia Yanez. The other five candidates were; Shannon Clark, Dusty Paris, Norma Burgos, Anna Childers, and Alta Chavez

Amy Matlock and Paul Garcia have an important discussion.

Becky Ramirez (portraying Mrs. Webb) acts out parts of her daily life.

Shawn Menear (George Gibbs) and Romi Spears (Emily Webb) discuss their feelings.

The play "Our Town", written by Thornton Wilder, was performed in the auditorium on November 2nd and 3rd this year. The play is mainly about life in a small town named Grover's Corners. It centers around two main characters (Emily Webb - played by Romi Spears, and George Gibbs - played by Shawn Menear) and the events in their lives between the ages of 16 and 26. "Our Town" shows the contrast between the lives George and Emily's families. It also shows George and Emily's friendship, marriage, and finally Emily's death.

The overall theme of "Our Town" is the importance of life and the celebration of every living moment.

SNOOPY

Snoopy

This year's musical production (Snoopy) was a great success. The musical included many comical scenes with the Peanuts' character. Snoopy, the main character, (played by Richard Rokicki) goes through the play feeling lonely and rejected. The problems and feelings of the other characters are also shown in both humorous and serious ways. At the end, though, the characters all seem to be happier and are getting along with one another better. Mr. Brown (Director, Producer, and Choreographer) said, "The cast was very strong and they worked hard to make Snoopy such a success!"

Shannon Clark and John Hurt, seniors this year, act out their characters.

LIP SYNC

On a Monday night in March, students and parents filled the auditorium to capacity for the fifth annual Lip Sync Contest.

Throughout the night the audience was entertained by 15 performances. The groups ranged from metal to rap.

The first place winners were Allie Hart, Jodi Traeger, Jennie Jans, and Carolyn Wyller, they did the, "Shoop Shoop" Song.

Second place went to Melanie Pilnock, Irene Ortiz, and Delia Santos, they sang, "Good Girls".

Third place went to Misty Soria, Corrina Drake, Theresa Griffin, and Amie Richardson, they lip synced to, "Hold On".

Fourth place went to Scott Lewin, Pete Hernandez, and Luis Reyes, they performed to, "Let's Chill".

Fifth place went to the senior group, "We're All In The Same Gang".

This year's Lip Sync was sponsored by Yearbook and the High School Volleyball team.

Government Day

Selected seniors got to act like professionals for one day during Student Government Day. The purpose of this day was to let the seniors learn how the government functions.

On Government Day, the students left the building at 8:30 a.m. to talk with city officers. While they were there, these seniors received a tour of Lake Station's City Hall and Maintenance Department. After this, the students had a luncheon with the administration. Later that day they held a council meeting. This ended the Government Day activities.

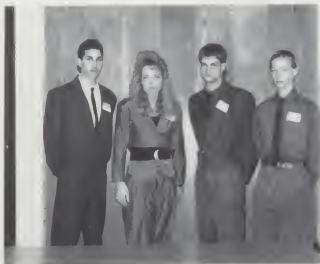

Participating students were as follows: Mayor-Tina Konjak, City Council-Chris Czamecki, Michelle Burkat, Vickie Fraley, Alex Yanez, Lori Matlock, Lydia Yanez, Kim Metz, Clerk Treasurer-Sylvia Ochoa, City Judge-Dusty Paris, City Attorney-Gayle Traeger, Police Chief-Ron Owen, EMT Director-Greg Lopez, Fire Chief-Patro Randitsas, City Engineer-Chris Napier, Board of Public Works-Sean Galvin, Principal-Eldon Ash, Vice Principal-James Dailey, Assistant Superintendent-Shannon Brewer, Park Superintendent-Derrick Messer.

GLORY OF LOVE

Scott Lewin seems to be enjoying the music.

Tami Hisick is all smiles while being crowned by Lisa Bodo.

Glory of Love was this years theme for the Valentine's Dance. The Sunshine Society sponsors the dance every year and has a Queens Court. In order to be on the Queens Court you must be in Sunshine Society and nominated. This years nominees were Shelly Burris, Tami Hisick, Jodi Koonce, and Crystal Brunker. After the final vote Tami Hisick was crowned Queen.

Theresa, Marisol, and Shawn seem to take center of attention, while the camera captures them.

After a fun night of dancing, Julie and Dino thank each other for a wonderful night.

The third annual Lock-In was a success! It attracted 125 prisoners. These prisoners had all-night entertainment. They were entertained with basketball, ping pong, volleyball, board games, cards, music, dancing, and movies. For those midnight snackers there was pizza, chips, cookies,

pop, and popcorn. Also, for breakfast they were supplied with doughnuts, orange juice, and milk. Looking at the evidence shown it looks as if they were convicted for knowing how to have fun! The Student Council hopes you keep this in mind and attend the next Lock-In.

Make It Last Forever

This year's junior/senior prom took place on May 10th at the Waterbird Restaurant at the Indian Oak Inn in Chesterton.

Cameras and video cameras surrounded the restaurant as students paraded around in their best formal attire.

Approximately 160 students attended this year's prom.

The Grand March started the evening off at 6:15 p.m. and a prime-rib dinner followed.

The prom committee chose rose and teal as its prom colors and all students that attended the prom received long-stem rose goblets and souvenirs.

The music was played by DJ "Sipe and Associates".

All who attended said it was a sure-to-be memorable event.

Students stand in line awaiting their turn to take the Grand March.

Prom girls take a break from the slow songs to show off their dance moves during a fast song.

Making it last on the dance floor were Robin Kidd, Jim Blankenship, Heather Rosser, Jeremy Hosch, Romi Spears and Gayle Traeger.

Shannon Brewer and Brian Coubal enjoy the evening.

Misty Soria and Theresa Griffin throw off their shoes to a fast song.

Matt Sanko, Shannon Gales, and Alex Yanez, seem to be having a good time.

Memories

Prom Committee

*The soft music, and lights low
Our last dance with friends we know
The merry voices and spirits light
Overflow the sorrow with fun tonight
May God help you keep the
courage of the quest
And hope the road's last turn
will be the best
And when the night has ended
Only a memory will last
Of the glorious evening past*

Hearing you say we're wrong*

*Longing for your touch
But you're so far away
I can hear your voice
When there was nothing that you would say*

Hoping soon that you will be back
I can be there forever
Not knowing where you're at*

*On a deserted island
With no where left to run
Waiting for the worst
When it's already begun*
